# Let's Draw Winter Homes for Everybunny!

Brrrr, it's getting cold outside! The critters that live in our backyards and parks need shelter to stay warm and safe — and you can help. Use your coloring supplies to draw a super cozy home for each of the animals and then tuck them in for the winter.

Turtles snooze under  
fallen leaves.

Squirrels nest high  
in the trees.

Bears hibernate  
in cozy caves.

Bunnies shelter in  
grass-lined burrows.
